INFORMATION DISCLOSURE STATEMENT (IDS)

Commissioner for Patents
Washington, DC 20231

Dear Sir:

Submitted herewith is a form PTO/SB/08 listing several documents. Copies of all documents have been submitted in the parent application no. 09/370,398 filed August 6, 1999 and thus pursuant to 37 CFR §1.98(d), copies are not submitted herewith.

Pursuant to 37 CFR §1.56, the attention of the Patent and Trademark Office is hereby directed to the references listed on the attached form PTO/SB/08. It is respectfully requested that the information be expressly considered during the prosecution of this application, and that the references be made of record therein and appear among the "References Cited" on any patent to issue therefrom.

While the information and references disclosed in this Information Disclosure Statement may be "material" pursuant to 37 CFR §1.56, it is not intended to constitute an admission that any patent, publication or other information referred to therein constitutes prior art under 35 USC §102 or §103.

Application No.: 10/082,902

Docket No.: 28110/35878A

In accordance with 37 CFR §1.97(g), the filing of this Information Disclosure Statement shall not be construed to mean that a search has been made or that no other material information as defined in 37 CFR §1.56(a) exists. It is submitted that the Information Disclosure Statement is in compliance with 37 CFR §1.98 and the Examiner is respectfully requested to consider the listed references.

No fee is believed to be due under 37 CFR §1.97 (b) because this statement and form PTO/SB/08 are being submitted before receipt of a first office action on the merits in the above-identified patent application. However, the Commissioner is hereby authorized to charge any deficiency in the fees filed, asserted to be filed or which should have been filed herewith (or with any paper hereafter filed in this application by this firm) to our Deposit Account No. 13-2855. A duplicate copy of this paper is enclosed.

Dated: June 13, 2002

Respectfully submitted,

By

Sharon M. Sintich
